City college

Agree

Sometime teacher send the lectures link but not take the lecture

Bohat acchi teaching aur communicate karte hai teacher

The teacher teaches the student.and then teacher who improves the overall education.

Thanks all my teacher and all college staff

Everything is good I have not suggestions

Guide all the students and impart relevant skills to all the students.

No suggestion

Nothing to give suggestion they all are doing very well

Good experience

In our college overall teaching and learning activities are excellent in online classes

I got best learning experience from city college..

College is providing us with proper materials of each of the subjects and making us aware about every extra curricular activities open to all the students.Efforts of teachers have made it possible that we are confidently appearing for online examination.Teachers are doing there best and I had a very good experience learning with City College.

We met our enemy and he is us, nothing is better than self exploration.

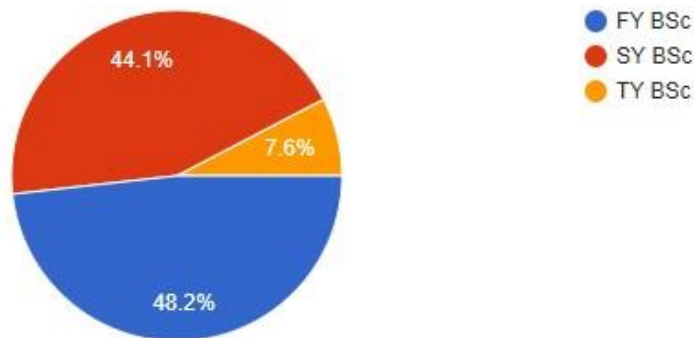

Overall our experience is good

Take strict action when students not attend online or offline classes.

No suggestions because college teacher's have a lot of experience

I was very happy to learn from all the teachers. There was a lot I didn't know before. My knowledge increased because of all our teachers. I sincerely thank all our teachers for taking care of our studies so well. We explained everything well. Dear teachers thank you so much for guiding us and appreciations

THANK YOU.

Overall teaching is best. Every teacher do the best. good experience

Nothing

Encourage active and practical learning. Make connections to real-world applications of the course material. ...

Provide for meaningful teacher-student interactions. ...

Make course expectations clear and based on learning outcomes.
